### CSR Review Internship Program Additional Requirements

After completing the Application Form and signing above, be sure to include the following items with your application package:

- (1) A complete CV that includes all previous and current employment (post-doctoral), with dates thereof, your title, a description of your duties and responsibilities, and a listing of your significant accomplishments or honors. Also include a list of all publications.
- (2) A 1-2 page statement describing why you are interested in the CSR Review Internship Program and how you meet the selection criteria.
- (3) This position has specific education requirements. In order for us to verify education, you must submit a copy of your unofficial graduate school transcript(s). Applicants who have completed part or all of their education outside of the United States must have their foreign education evaluated by an accredited organization to ensure that it is comparable to education received in accredited educational institutions in the United States. For a listing of services that can perform this evaluation, see the National Association of Credential Evaluation Services (NACES) web site at <http://www.naces.org/members.htm>
